

THE TOP DIVE SPOTS IN THE CARIBBEAN

By DALE SANDERS

Many adventuresome Caribbean divers eventually get asked, "What is your favorite dive?" Fact be told, the response is usually followed by not an answer, but with a qualifying question – What kind of diving do you enjoy? There simply are too many types of diving. Therefore to narrow an answer down to a single type of diving or destination wouldn't do justice to the rich diversity of diving found in the Caribbean.

The following four destinations and their unique diving opportunities are but a sampling of the divergent opportunities awaiting undersea explorers.
